“ To the Jones Family, The Jones Family is one of the closest families I have ever been associated with. Our Son Sam met Kathy in Cola Town one night on the dance floor at Have A Nice Day Café. Life changing for him, he soon after became a part of the Jones Family. There's an old saying, "A son is a son until he takes a wife, a daughter is a daughter for the rest of her life." Sam did become a husband, son, brother, and uncle in the Jones Family. Sam and Kathy birthed 3 babies, Oscar, John, and Lea, and along the way they have doted over all the other Jones Kids. The other day Sam said to me, "Momma, I changed HaleyGrace's diapers." It is not a fair happening when someone you helped raise in the family leaves this earthly home at such a young age. Only God knows the answers to all the questions lingering in everyone's hearts and minds. HaleyGrace was a beautiful young woman with so many milestones to be met in her life, but they are not to be. She is beyond the veil, called by God to be with him forevermore. She will be so missed on this side by all who loved her and called her Daughter, Sister, Granddaughter, Niece, Cousin, or Friend. My hope is that during this time of grieving you all remember the best of times, her beautiful smile, and the amazing young woman she had become. I am praying for you all to be there as always for one another. Hold to the promise of God that you can be with HaleyGrace again, she is waiting for you in your future, when you are called to be with God. There is a song stuck in my head and one verse is so meaningful at this time. Read this small part and let it touch your soul. With this verse, we send you all our deepest sympathy and our Love, Larry and Barbara

No Matter What by Ryan Stevenson  
No matter what you've done  
You can't erase His love  
Nothing can change it  
You're not separated  
No matter where you run  
He's always holding on  
You're still a daughter, you're still a son  
No matter what
